

**Ladue  
Residence**

**Ladue, Missouri  
2008**

**PROJECT OVERVIEW**

St. Louis Design Alliance models this handsome, six thousand square feet brick home after English architect, Edwin Lutyens' style. Dog-house dormers, and stone quoins grace the stately exterior while the interior includes five baths – both full and half, four bedrooms as well as upgraded kitchen and three fireplaces. An eight-car attached garage completes the package.

**FIRST FLOOR**

- A eight car garage
- B hearth room
- C kitchen
- D dining room
- E front hall
- F master bedroom
- G gallery
